

A cat poem

I love cats, I love every kind of cat,
I just wanna hug all of them, but I can't,
I'm thinking about cats again

People with no idea
about AI, telling me my
AI will destroy the world

Me wondering why my
neural network is
classifying a cat as a dog..

I think about how cute they are
And their whiskers and their nose

SO LONG
AND
THANKS
FOR ALL
THE FISH
